Dear Parents and Carers,

It is with great pleasure that I can now share the Ofsted report from our June 2019 inspection.

We are thrilled to announce that The Godolphin Junior Academy is a GOOD school and that we are OUTSTANDING in our provision for the personal development and welfare of our pupils.

When you read this report, you will see the level of excellence that we, at GJA, are providing for your children. Within the Ofsted judgement of 'Good' our school performs at the highest possible level in this category. This is evident in the incredibly positive comments such as:

*The principal has an accurate understanding of the school's strengths and weaknesses and is focused sharply on school improvement. Ably supported by her senior leadership team, she has taken effective action to secure significant improvements across the school since her appointment in September 2018.*

*As a result of strong teaching, pupils make good progress across the curriculum.*

*Leaders have developed an interesting, engaging curriculum that immerses the children in their learning.*

*Leaders have developed a strong culture of safeguarding throughout the school. This ensures that pupils' welfare remains paramount.*

*The school's work to promote pupils' personal development and welfare is outstanding. The school is a thriving learning community and is very welcoming and friendly.*

*Pupils' behaviour and conduct during lessons, break times and lunchtimes are good. Pupils are friendly and welcoming.*

*Governors know the school very well. They routinely monitor the impact of leaders' initiatives and the spending of additional funding on outcomes for pupils.*

*Leaders from the Park Federation Academy Trust have set high expectations of what staff and pupils can achieve.*

We are extremely pleased and proud of the hard work and commitment that our staff and pupils demonstrate every day to make Godolphin the successful school that it is. Further to this, we would like to thank all of our parents and families for the high levels of support and encouragement you provide. Please find a full copy of the report attached.

Finally, this is wonderful news and a moment of celebration for us all. However, the best is yet to come. Godolphin will continue to grow and will only get better. We look forward to celebrating this good outcome with you as well as our future successes.

Yours sincerely,

Mrs H. Abell  
Principal
