E-SAFETY TIP	Tip #1: To know that whilst the internet may be 'Free' not all content is 'Free to use'.	Tip #2: When searching the internet for content to use, consider who owns it and whether you have the right to reuse it.	Tip #3: Technology can affect health and well-being both positively (e.g. mindfulness apps) and negatively.	Tip #4: Do not download or install anything on your computer without your parents' permission.	Tip #5: If you have any questions about something you read, ask your parents or guardians.	Tip #6: Avoid spending too much time on apps and websites.	Tip #7: Don't post pictures of yourself online or on messaging apps.

Tip #1: The © symbol shows that the work is protected.

Tip #2: Knowing when you can reuse something online can be complicated, it depends on the content, the creator and the purpose for which you are reusing their work.

Tip #3: How do you think some of the activities might affect our mood, feelings; our readiness for sleep?

Tip #4: Downloading apps and links can cause viruses to spread.

Tip #5: Always check the source and double check the information from another source.

Tip #6: Jack sometimes finds that he spends longer than planned on the Playstation and he doesn't get his homework done. What could he do to stop this happening?

Tip #7: remember you always leave a digital footprint and photos could be shared without your permission.
