

This guide will explain how you can access Google Classroom.

1. Open the search engine on your computer/laptop. If you are using a tablet then download the Google Classroom App from your devices' app store.

2. Search for gmail.

www.google.com › gmail ▾

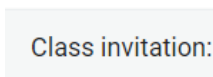

[Email - Gmail](#)

Gmail is email that's intuitive, efficient, and useful. 15 GB of storage access.

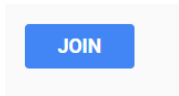

3. Type in the email address and password provided for your child.

A screenshot of the Gmail sign-in page. It features the Google logo, a "Sign in" button, and a text input field for "Email or phone". Below the input field is a "Forgot email?" link. At the bottom, there are links for "Create account" and "Next".

4. Click on the new email which has been sent from the class teacher (An invitation to google classroom)

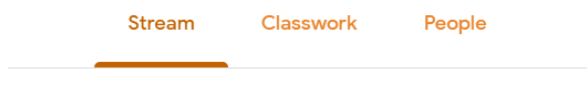

5. Click join.

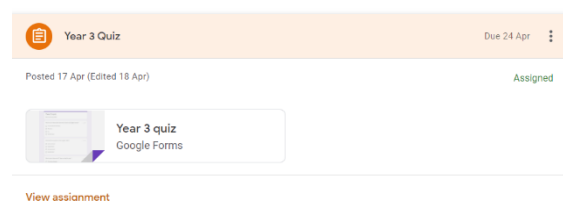

6. You will now be able to view the class page which will have a welcome message and an assignment or quiz to complete.

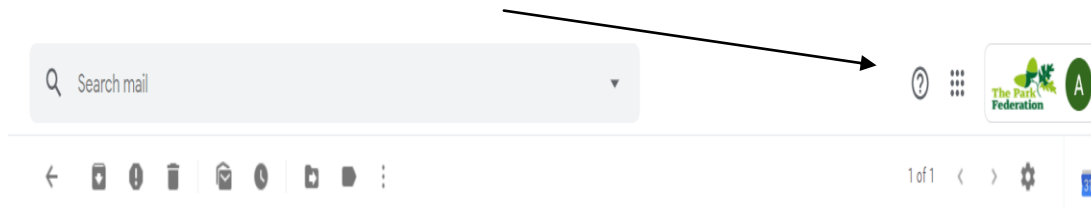

7. At the top of the page – when you click on classwork you will be able to view all tasks that have been set.

8. Click on a quiz or assignment to view and complete.

9. To access Google Classroom after the initial login –
Login to gmail and click on the 9 dots in the right hand corner.

10. Select Classroom – This will take you straight through to the class.
