Section 1: Introduction

The Park Federation Academy Trust is clear that bullying is unacceptable in any form and is committed to recognising the seriousness of such behaviour and dealing with it immediately. We strive to create and maintain a bullying-free zone, so providing a safe, caring and friendly environment for all our pupils.

It is everybody's duty to act in accordance with this policy. All staff should be prepared to seek advice and accept, when appropriate, the need for support when dealing with incidents of bullying.

The Independent School Standards Regulations 2010 provide that the proprietor of an Academy is required to ensure that an effective anti-bullying strategy is drawn up and implemented.

This policy is written with regard to DfE advice '*Preventing and Tackling Bullying*' (July 2017).

Section 2: What is bullying?

Bullying is behaviour by an individual or group, repeated over time, that intentionally hurts another individual or group either physically or emotionally. Bullying can take many forms (for instance, cyber-bullying via text messages or the internet), and is often motivated by prejudice against particular groups, for example on grounds of race, religion, gender, sexual orientation, or because a child is adopted or has caring responsibilities. It might be motivated by actual differences between children, or perceived differences. Stopping violence and ensuring immediate physical safety is obviously a school's first priority but emotional bullying can be more damaging than physical.

Physical – pushing, kicking, hitting, punching, pinching, biting, spitting and any form of physical violence or threat of violence. It can also involve inappropriate/unwanted physical (including sexual) contact, abusive/sexual comments.

Verbal – name calling, sarcasm, spreading rumours, persistent teasing, racial/sexual harassment, verbal threats. This can be directed at the person, or at their friends or family.

Emotional – tormenting, intimidating, threat of ridicule, humiliation, continued blame, reinforcement of a negative image, exclusion from groups or activities, extortion, continual taking or hiding of possessions.

Racist – this is a specific form of bullying that includes racial gestures, taunting or graffiti. It is "suffered by individuals or groups because of their colour, race, nationality or ethnic origins" (Commission for Racial Equality).

Homophobic – this is a specific form of bullying when people behave or speak in a way which makes someone feel bullied because of their actual or perceived sexuality. People may be a target of this type of bullying because of their appearance, behaviour, other physical traits or because they have friends or family who are gay, lesbian, bisexual, or transgender or just because they are seen to be different.

Prejudice-based bullying - this is when bullying behaviour is motivated by prejudice

based on an individual's actual or perceived identity; it can be based on characteristics unique to a child or young person's identity or circumstance.

Cyber-bullying - mobile, internet and wireless technology provides an opportunity for misuse through cyber-bullying. Cyber-bullying is any form of bullying through: text messaging; picture/video bullying through webcams or mobile phones; phone calls; email, chatroom or social networks sites; or instant messaging. Unlike other forms of bullying, cyber-bullying can follow children outside of school hours and into their home.

Cyber-bullies can also remain unseen and, sometimes, unidentified. Lessons are given to children within the ICT and PSHCE curricula to address these serious issues and to provide children with the strategies and knowledge they may need to prevent such bullying occurring as well as what to do if it has occurred. We will inform parents if any such incidence occur in school or our attention is brought to any incident which occurs outside of school and which involves our pupils.

Section 3: Signs of bullying

All staff should be aware of the following signs which may indicate that there is a problem, with the possibility that bullying is taking place, and further investigation is required.

- Unwillingness to come to school
- Withdrawn and isolated behaviour
- Complaints about missing possessions
- Refusal to talk about any problems
- Easily distressed/anxious
- Noticeable change in progress over time
- Damaged or incomplete work
- Is afraid to use the internet or mobile phone
- Is nervous & jumpy when a cyber-message is received
- Unexplained cuts and bruises

Section 4: Roles and Responsibilities

It is important that there is a clear understanding of the roles and responsibilities for all parties when there is an incident of bullying.

Child - Children need to be knowledgeable of what to do if they think they are being bullied. This includes telling someone – it could be their teacher, parent/carer or any other adult in school. Alternatively this may be in writing – they may wish to write their thoughts down and hand it to an appropriate adult.

Parent - Parents should inform their child's class teacher in the first instance with the facts and with an open mind. It is the parent's responsibility to monitor the use of technology within the home and inform the school if they have concerns regarding e-safety.

The parent will be informed of any outcome following an investigation but will not be privy to any information regarding sanctions of other children involved. Parents should not seek to investigate any alleged bullying allegations themselves.

Academy staff - All staff have a duty of care to report any observed or reported incidents of bullying. The class teacher will challenge any bullying behaviour according to this policy and The Godolphin Junior Academy Behaviour Policy. All adults have an obligation to reinforce the anti-bullying policy across the school. The Senior Leadership Team will provide support, strategies and advice to any person who needs it. The Principal and Academy Council will ensure that an appropriate policy is in place, that it is implemented appropriately and that it is reviewed regularly.

In conjunction with the PSHCE curriculum, all staff have the responsibility in educating children on what bullying is, its different forms and what to do if they are being bullied or have witnessed bullying taking place. These messages are reinforced during anti-bullying week during which children devise a class charter on how to deal with bullying. There is also a specific focus on cyber-bullying.

Section 5: Procedures for dealing with bullying

The academy's response to this is unequivocal: ***Adults must be informed immediately and action will take place.***

Children will be encouraged to realise that silence is the bully's best friend. The academy will act swiftly with a process of investigation, communication and action. Bullying will not be tolerated.

In the event of bullying, the following procedure must be followed. If this is adhered to, it will ensure that all incidents and persons involved are dealt with fairly.

1. All allegations should be investigated by staff. This will be in the first instance the class teacher. Support can be gained from the Senior Leadership Team.
2. When investigating incidents, staff should make sure that the child knows they are ready to listen and are in a safe and calm environment. It is important that they offer support to the victim. All parties involved should be spoken to as soon as possible and given a chance to report accurately.
3. All incidents should be recorded in writing on CPOMS. SLT should be informed of all reported bullying incidents.
4. Where there is a concern that an allegation of bullying has taken place, a member of SLT will investigate and then complete a Bullying Incident Report. Depending on the outcome of the investigation, this report will then be securely filed as either an incident of bullying or as an incident of alleged bullying.
5. In dealing with an incident of bullying, if appropriate, the parties involved can be brought together to discuss and resolve the conflict.
6. Appropriate consequences should be given to the pupil who carried out bullying behaviour in line with the academy's behaviour policy.
7. After the incident has been investigated and dealt with, each case will be monitored to ensure that repeated bullying does not take place.
8. When necessary, support will be offered to the pupil who was bullied and the child who demonstrated bullying behaviour to correct inappropriate behavior. Support could be in the form of a social group, learning mentors, support from a mental health first aider or gaining advice from the behaviour support team.
