

## **How to download The Godolphin Junior Academy school app (Piota)**

### **For Android Devices**

Go to The Godolphin Junior Academy website

Under the 'About Us' tab, click on 'The Godolphin Junior Academy App' page

Click on the 'Our school app for Android devices'

On that page, there is a link on the word click '**here**'. Click on this and it will take you directly to download the app. The name is Piota (the logo is a blue P as above).

Then click install to download the Piota app.

Once it is downloaded, open the app and type in Godolphin Junior Academy. When the app is open click on allow notifications.

(When you click on the app from your phone the piota logo will show, but the app will open as Godolphin's)

We will be sending messages on the app which will be under News and Alerts.

The link to download the app is:

<https://play.google.com/store/apps/details?id=uk.co.piota.schools>

### **For iPhones**

Go to the app store

Type in Piota (it will be the first one with the blue P logo as above)

Then click install to download the Piota app.

Once it is downloaded, open the app and type in Godolphin Junior Academy. When the app is open click on allow notifications.

(When you click on the app from your phone the piota logo will show, but the app will open as Godolphin's)

We will be sending messages on the app which will be under News and Alerts.
